### New Addition to the Rittenhouse Women's Wellness Center

Rittenhouse Women's Wellness Center would like to announce our newest addition to our fitness team. Shannon Feck, Personal Trainer, is ACSM certified and she is also a Certified Group Exercise Instructor.

Ms. Feck has always had an interest in sports through out the years. She is currently a basketball official for Women's NCAA Division and works in nine different conferences. She has been an officiate for five years.

Ms. Feck is excited to become a part of a growing team here at the Rittenhouse Women's Wellness Center. She hopes to make all of her clients feel comfortable and to have each of them incorporate exercise into their daily lives.

### Important Message from the Doctor

Dear Patients,

I am writing to inform you of a new policy at our office. As many of you know, insurance companies are shifting more and more burden on to patients, which translates into higher co-pays, co-insurances and deductibles. Every week we receive dozens of notices from insurance companies (EOBs or explanation of benefits) stating that patients are responsible for all or a portion of their bill. We must then generate invoices which we pass along to you. In an attempt to simplify this we will scan your card and keep it on file, in the event that a deductible or co-insurance is due, there was a change in the amount of your co-pay, or a portion of your visit was not covered we will charge your card. You should receive a statement from your insurance company as well so you will understand the reason for the charge.

At your next visit, we will ask you for a copy of your credit card. All credit cards are kept secure and are password protected. Additionally, we double check all of the insurance statements to make sure that our office has not made a mistake. Thank you very much for your understanding.

Sincerely,

Dr. Leslie Saltzman  
Rittenhouse Women's Wellness Center
